Our last meeting was held on Oct 18 with guest speaker Kugee Supernaw, Osage Congressman. He spoke to us about issues under consideration by the Congress. He urged us to pay attention to the business of the Nation by listening to Council meetings on the Osage Tribe website or reading the minutes in the Osage News, and to provide feedback to our Congress members. There was a lively discussion of tribal politics during the Q & A session following his talk.

Dust off your thinking caps and welcome the Osage Language Department from Pawhuska. Our Spring meeting will be primarily devoted to learning, or for some, practicing the Osage language.

The mission of the Osage Language Deptment is to revitalize the Osage Language to it's purest form and to teach our people to speak Osage within the realm of our unique ways and in daily conversation - our endeavors will be unwavering; our future depends on it.

Hopefully we will generate enough interest in speaking Osage that we can get a program started for our local Osage people.

Annual membership is \$ 25. Make checks payable to Northern California Osage or NCO
